## MURDER in Willow Creek?!

Hot news this month!

I think it's safe to say no one thought a murder would be on the menu at Wickedly Delicious. It certainly wasn't on my 2025 bingo card. Talk about starting the new year with a bang. Not literally though. According to sources it was more like a knife to the neck that did the stranger in. I sure hope it wasn't one from the kitchen. If so, Maisie is going to need to bleach the blood away.

But wait before you go feeling sorry for the victims. He was certainly no innocent. Police reports confirm a gun was also found at the scene and the only prints on it are the victims. Rumor has it Mr. Henderson was in Willow Creek to harm our newest resident, Annalee Bruce. Too bad he picked the wrong place of business to do such a

thing. Our dear Maisie is no wilting flower.

The real story however is the fact that since the incident, our very own Halloween loving bakery owner has yet to be seen. Is Maisie suffering from trauma or is there something else going on?

Something tells me a certain new security team member isn't going to let her hide away that easily. Not from what this reporter has seen since the masked Halloween party.

Stay tuned for updates. Something tells me things are about to get interesting in Willow Creek.
